Presented by Hard Times Skate Shop

Who: Homeschoolers 5 years old and up who are interested in learning the fundamentals of skateboarding safely.

What: Hard Heads Homeschool Beginner Skateboarding Class will be an experience you won't forget. Through practice, various drills, and exercises, our instructor will help beginner skaters become more comfortable with skateboard safety, park etiquette, and basic techniques, such as turning, stopping, and pushing. Class capacity is limited to 5 skaters due to recent space and safety regulations and it also allows us to give each participant personal instruction. Facial masks are recommended.

When: Skaters will be grouped by age 5-7, 8-12, and 13 and up. Instructional sessions will be held on Mondays, Wednesdays, and Fridays for 4 consecutive weeks. Skaters will come on their designated day of the week according to their age for 4 consecutive weeks. **Example** Ages 5-7 will meet up every Monday for 4 weeks straight (9/6, 9/13, 9/20, 9/27).
